RIGHT STEPS DOWNTOWN TRICK-OR-TREAT AT THE COUNTY GOVERNMENT OFFICES

Lafayette, IN – 15 years ago, Right Steps Downtown started the tradition of Trick-or-Treating at the County Government Offices. Linda Horton, Office Manager for the County Commissioners, has organized the event for the government offices and Right Steps for the past few years. The children visit doors displaying an orange pumpkin and get to talk to some of the government officials while also receiving goodies.

Several kids dressed up in costumes while touring the buildings. They were excited to show the officials their attire for the day. The adults enjoyed seeing and talking to the children. A few of the adults even wore costumes themselves. This event allows both the children and the adults a glimpse into the others' day-to-day activities. Right Steps hopes to continue this event in the coming years.
