

HOW WE HELP CHILDREN AND FAMILIES IN OUR COMMUNITY

EARLY CARE AND EDUCATION CENTERS

Right Steps operates four early care and education centers in Greater Lafayette. Our centers provide quality early learning services for children between the ages of six weeks to six years old. All locations are state licensed and ranked Level 4 in Indiana's Paths to QUALITY rating system and accredited by the National Association for the Education of Young Children. Right Steps offers a sliding fee scale and is eligible to receive child care vouchers to give access to families of all income levels.

CHILD AND ADULT FOOD PROGRAM

We are committed to supporting proper nutrition to boost optimal child development and combat childhood obesity. We utilize the Indiana Department of Education's Child and Adult Care Food Program.

CHILD CARE RESOURCE AND REFERRAL

The Child Care Resource Network (TCCRN) provides resources and services to families such as free child care searches. TCCRN also serves child care providers and community partners in Tippecanoe and 11 surrounding counties.

IMAGINATION LIBRARY

A program replica of Dolly Parton's Imagination Library, The Tippecanoe County Imagination Library is a unique reading program that helps foster a love of reading. New books are mailed directly to children's homes each month until age five, and gives children access to a home library.

Dear Friend:

At Right Steps, our goal is to equip children for a bright and successful future. That is why we encourage caring and knowledgeable community leaders, philanthropists and child advocates to join us on our mission to provide and advocate for quality child care and early education.

We strive to ensure that every family, regardless of income, has access to high quality care for their children. This is only possible with help from supporters who join us in our cause to help children and families excel in life.
